

# Children's Hope and Future Foundation

## **NEWSLETTER 2014-2 (December 2014)**

Another holiday season is already upon us! As we consider all we have to be thankful for, we at Children's Hope and Future Foundation are very grateful for the opportunities we've had to make a difference in the lives of many children. And we're thankful for the support of each of you!

### **Book Drive**

As of you know, CHAFF's primary project over the past five years has been its "book drive" - placing a library of children's books in Chinese primary schools and orphanages with insufficient resources. During December, we plan to contribute 5,000 books to be used by children who may otherwise have no access to the resources we provide. We are in the process of purchasing books and selecting schools with particular need. In addition to the hundreds of children who have already benefitted from our book drive, we are thankful for the many more who will be served by the books contributed this year.

### **Preschool Education Center Project in Yuxian, Hebei province**

As we indicated last year, another of CHAFF's projects is to help a village in Zhangbei region of Hebei Province build a critically needed pre-school facility. CHAFF representatives have been speaking with the village leaders to structure the project creatively so that both CHAFF's and the village's objectives are fulfilled. In addition to the village's use of the facility as a pre-school, CHAFF desires to use it to host cultural exchange programs, to invite city children to see village life, and to host educational summer camps. We are still in the process of raising funds for this project, having raised \$12,000 of the approximately \$30,000 needed. Our goal is to raise another \$6,000 by the end of this year, and the remainder in 2015. Would you be willing to help us reach this goal?

## **Leadership**

On the leadership front, CHAFF's president, Hongfei Zhong, moved back to China this year for family reasons, and it has not been practical for her to fully engage in the president's duties at this time. Mr. Stephen King has agreed to step in as president-in-charge on an interim basis. Steve is a co-founder of CHAFF with Hongfei, and has been a dedicated and active board member. We are honored to have Steve as our new leader in the US. Hongfei will be assisting with projects in China, and our China Project Manager, Mr. Hongyu Tao, will continue to volunteer in China project implementation.

## **Fundraising - we need your support!**

CHAFF has continued its fund raising by applying for grants and by participating in local sales events in the Washington, DC area. As we build more stable and stronger institutional and individual supporters in the United States, we are also gaining more individual supporters in China.

Although we were not able to host our Annual Dinner this year due to various factors, we continue in our commitment to children as our hope and future and our belief that helping with children's education is helping our future. We appreciate all who have supported us in the past. Would you consider a year-end gift to support CHAFF's projects for children in need? Donations are accepted at our

website: [www.CHAFFoundation.org/contribution](http://www.CHAFFoundation.org/contribution). Or you may write us a check payable to:  
Children's Hope and Future Foundation  
P.O. Box 4072  
Merrifield, VA 22116

CHAFF is an IRC Section 501(c)(3) tax-exempt organization, contributions to which are tax deductible. We will send you a donor confirmation letter upon receiving your contribution.

During this holiday season, please use the Amazon link on our website: [www.CHAFFoundation.org/contribution](http://www.CHAFFoundation.org/contribution). You get the same price, CHAFF will receive 4-18%.

Please accept our heartfelt appreciation for your support. We wish you and your family a happy holiday!
